Dear Ms Bain,

Re. Police Incident No. 20220120-1333

Please find enclosed evidence sent to Govan Police Station today in connection with the above incident number of which you are aware from previous correspondence.

This is all new information which has come to light since my last communication. It is all in relation to evidence of Medical Fraud and Medical Negligence in regard to the Covid-19 Vaccines which are continually being administered throughout Scotland.

Can you please ensure an investigation is opened by Police Scotland?

For ease of reference please duly respond again to the following email address:
